## NHAIS Interlibrary Loan System - School Closed Dates

Libraries that participate in the NHAIS Interlibrary Loan System are REQUIRED to notify NHAIS Services when they will be closed (or the ILL account will not be monitored) for a "vacation" period longer than 3 consecutive days. In order to make that easier for schools we are offering them the option to complete this form once per school year for the days they will be closed. It is the OBLIGATION of the school library to notify NHAIS Services of any changes in schedule, or additional dates when ILL will not be checked and responded to, by contacting the NHAIS Help Desk in advance of closed days.
